**Subject:** Fwd: Compilation of community inquiries re Tetra Tech  
**Attachments:** Tetra Tech inquiries to EPA Mar & Apr 2016.docx

Dear Rob,

I forgot whether or not I had sent you these earlier. I usually mostly work with Jackie Lane re community inquiries, but just keeping you in the loop. At the community meeting people also said that if Tetra Tech did the resampling, they didn't trust the results. We're getting public pressure for EPA independent confirmation of sample results.
